EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Chris Eusabi on Jan 10, 2008.

The application has been amended as follows:

IN THE CLAIMS:

Claims 19-21 are cancelled.

The following is an examiner's statement of reasons for allowance: Applicants arguments filed 8/3/2007 were persuasive. Regarding new claim 22, the resilient sleeve is in uninterrupted contact with and covers the entire 2nd body portion of the rivet, and must therefore be completely between the head and the shoulder, and due to the sleeve having a terminal en adjacent the shoulder, the sleeve must only cover the 2nd body portion, with the 1st portion deformable and the 2nd portion remaining un-deformed when the rivet is set.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
